PROFILE

Passionate and detail-oriented React Developer with hands-on experience in building scalable and dynamic web applications. Adept at leveraging modern JavaScript frameworks, including React and Next.js, to craft user-friendly interfaces and enhance functionality. Seeking a position to apply my technical expertise and grow as a JavaScript engineer.

WORK EXPERIENCE

TEACHERS SERVICE COMMISSION

2023 - 2024

Physics and Chemistry Teacher

- Delivered engaging and effective instruction in Physics, Chemistry, and Mathematics, consistently improving student performance and interest in STEM subjects.
- Developed and implemented lesson plans, assessments, and practicals aligned with the national curriculum, fostering critical thinking and academic excellence.
- Mentored students and organized co-curricular activities, contributing to their personal development, discipline, and overall school culture.

FOREXHIGHWAY

Marketing Manager & Specialist

2023 - 2025

- Designed and developed ForexHighway, a responsive and modern website for a forex trading platform using Next.js, Tailwind CSS, and Prisma, ensuring seamless user experience and performance.
- Trained a cohort of investors in 2020, equipping them with practical forex trading strategies, risk management skills, and market analysis techniques for informed decision-making.
